Re: FY 2008-09 activity priority assessment

Dear Mr. Boles:

As a Constitutional Office with all divisions fulfilling statutorily mandated functions, it is not within our authority to evaluate which statute is more meaningful. All activities carried out by our office are equally valued and are of great importance to the citizens we serve. Therefore, we are unable to rank our activities based on priority and believe that only the General Assembly could make those decisions through the passage of laws and regulations. We do strive to spend all funds as efficiently as possible in carrying out our mission.

Please do not hesitate to contact me if there are any questions.

Sincerely,

  
Melissa Dunlap  
Chief of Staff
